Sutherland Ave.

Illinois Directions to Tournament Site
 As you come across the I-55/70 bridge over the Mississippi River (called "Poplar Street Bridge"), stay in the 2nd lane from the right and take the West South 44 / 55 exit off the bridge. When you get off the ramp, stay in the right lanes. About 1 mile later, take exit 207, which will merge I-44 off to the right. Drive about 3 miles and take exit 287 B-A at Vandeventer/Kingshighway. Stay in the left 2 lanes and turn left off the ramp. Go past Shaw Blvd and turn left at the next stoplight, Kingshighway. Take Kingshighway south about 1.5 miles to Sutherland (there is an electric signal at Sutherland). Turn left and Sutherland will dead end into the Louis F Meyer Youth Center (former Magdalen Parish Hall and Bowling Alley).
NOTE: After you pass the electric signal at Chippewa, Sutherland is the NEXT ELECTRIC SIGNAL!

Macklind

This area of St. Louis is called "The Hill". Lots of good Italian restaurants along Southwest between Kingshighway and Hampton.

Chris' Restaurant and Pancake House is one of the best moderately priced eateries in St. Louis. Sat and Sunday will get crowded after 8AM for breakfast and not slow down till 1 or so. Corner of Watson and Southwest.
